

PUBLIC NOTICE

Thank you for your interest in participating in the EACOP project.

EACOP has a clear and transparent recruitment policy that provides that whenever a vacancy is available it is advertised in Newspapers in Tanzania and Uganda and uploaded onto the East African Crude Oil Pipeline (EACOP) Project website.

Any announcement or call for candidacies made outside these steps is to be considered as suspicious and effectively unrelated to the project. Should you notice any fraudulent open job announcements report to any police station near you, Local Government Authorities or the EACOP project.

All applications for opportunities should be done through announced channels. Informal submissions will not be taken into consideration.

The Project has a competitive and transparent recruitment process. Candidates are selected on merit as mandated by Tanzanian and Ugandan labor laws respectively.

Internships opportunities are advertised on the same website page as the vacancies.

You are encouraged to continue visiting the EACOP project website to access timely updates of Vacant positions.
