## APPENDIX M ACKNOWLEDGEMENTS

This environmental and social impact assessment (ESIA) for the EACOP project in Uganda has been carried out by registered environmental practitioners on behalf of Total East Africa Midstream BV.

RSK and Eco & Partner acknowledge the collective and individual contributions from a range of companies and external stakeholders in the preparation of this ESIA report. RSK and Eco & Partner are grateful for the willing assistance of the local authorities in the districts of Gomba, Hoima, Kakumiro, Kyankwanzi, Lwengo, Mubende, Rakai and Sembabule that were instrumental in organising the community members and availing information on various developments in these areas. RSK and Eco & Partner are also grateful to these companies and individuals and their valuable contribution to a rigorous and comprehensive ESIA report.
