

EAST AFRICAN CRUDE OIL PIPELINE

REQUEST FOR EXPRESSION OF INTEREST (EOI) FOR THE PROVISION OF ENVIRONMENTAL CONSULTANCY SERVICES FOR WASTE MANAGEMENT REVIEW REFERENCE: 10007040

TotalEnergies East Africa Midstream B.V. (Company) Tanzania, an Oil and Gas company, requires the services of an experienced and reputable contractor(s) to provide Environmental consultancy services for waste management of the East African Crude Oil Pipeline (EACOP) Project.

The EACOP Project involves the construction and operation of a buried, cross-border pipeline to transport crude oil from the Lake Albert area in Uganda to the eastern coast of Tanzania for export to international markets. The pipeline will run from Kabaale in Hoima District, Uganda, to Chongoleani, Tanga Region, in Tanzania. The length of the pipeline is 1,443 kilometers (km), of which 1147 km will be in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF WORK:

EACOP requires the services of experienced and reputable companies or organizations to provide environmental consultancy services for a specific scope on waste management that includes:

- Identification of measures to avoid and reduce waste on site prior to offsite management.
- In-country identification and review of local, regional and national waste management contractors, facilities and opportunities suitable for project construction needs.
- Health Safety and Environmental audits of waste management contractors and facilities.
- Detailed Waste Management Mapping based on estimated Project wastes and final waste management solutions.
- Revision of Waste Management Strategy.

MINIMUM REQUIREMENTS:

Companies or organizations expressing their interest are required to submit documentation of their:

- Experience, performance, and capacity in delivering the environmental consultancy tasks outlined above on waste management, at a large scale in Tanzania, in compliance with national and international standards (including International Finance Corporation Standards (IFC), with at least 5 years' experience/performance of similar services within Tanzania or internationally.
- Key suitably qualified and experienced lead auditor personnel in undertaking HSE audits at waste management facilities for oil and gas projects that comply with IFC requirements.
- Financial capacity to deliver the services required including submission of financial accounts for 2020.
- Application for registration with the EWURA Local Supplier Service Provider (LSSP) database at the time of submission of the response to this expression of interest is strongly recommended.
- Compliance with Local Content Regulations, 2017 and Local Company definition.
- Evidence of organization QHSE policy, procedure, and process in compliance with applicable Local and Industry standards for similar works.
- Appropriate licensing from relevant in-country authorities for the provision of the services.
- Proof of registration with the Tanzania Revenue Authority and Tax Clearance Certificate for the latest year.

Interested companies with the capacity to provide the services listed above should express their interest by sending the above documents to tz.eoi.1000001@totalenergies.com with the reference number as a subject on or before **17:00 hours** East African Time (EAT), on **Tuesday September 21st, 2021**.

Note: The EACOP project will review and assess the documents provided by the interested companies to derive a list of prequalified companies. Only prequalified companies will receive, subject to signature of a Non-Disclosure Agreement (NDA), invitation to submit bids in furtherance of the call for tender process.
