

EAST AFRICAN CRUDE OIL PIPELINE

EXPRESSION OF INTEREST FOR PROVISION OF AN INTEGRATED PACKAGE FOR ELECTRICAL, INSTRUMENTATION CONTROLS AND TELECOM (EIT) SYSTEMS - REFERENCE NO. 10004581

TOTAL East Africa Midstream B.V. (TEAM), an Oil and Gas exploration and production Company, invites experienced and reputable contractors to express their interest in providing an integrated Electrical, Instrumentation Controls and Telecom (EIT) Systems package inclusive of detailed design, interfaces management, procurement, site activities and pre-commissioning and long term maintenance activities, over field life on long distance pipeline systems, associated above ground installations and marine terminal facilities for the oil industry.

The EACOP requirements for the provision of EIT package and integration services shall include, but will not necessarily be limited to; an advanced safety culture and environmental awareness; provision of engineering, procurement, site activities, pre-commissioning and management facilities to perform the services; provision of dedicated personnel with all requisite skills,

supervision, interface coordination – and management necessary for the performance of the services; procurement expertise for specified material and equipment, operator training, maintenance activities; along with associated host country authorities and regulation interfaces.

MINIMUM REQUIREMENTS:

- Experience in pipeline, onshore facilities and marine terminal integrated EIT package (engineering, procurement, site activities, pre-commissioning, training and maintenance)
- Performance of similar such services in home country and in remote locations
- Availability of suitable resources – equipment, systems and qualified personnel
- Financial capability to undertake the proposed contract
- Suitable HSE and Quality policy
- Commitment to the development of National Content

Interested companies that meet the minimum requirements and have the capability to provide the services listed above, should request a pre-qualification questionnaire by sending an email to: ep.eacop.eit.prequal@total.com. **DEADLINE: Friday 21st July 2017, 1700 HRS** Kampala Time.

Note: Only prequalified bidders will receive invitations to submit bids in furtherance of the Call for Tender process.
