

REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF Gateway Tower

REF : ETJ-BB-PR-EI-JPT-EF-0002-00.

BESIX Ballast Nedam Limited, the CONTRACTOR for the Engineering, procurement and Construction of the Jetty and Load Out Facilities in the Tanga Bay for the East African Crude Oil Pipeline (EACOP) Project, invites experienced specialist Companies to express their interest for:

Design, Fabrication, Supply, Delivery and Installation Supervision of Gateway Tower.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies are partaking in the implementation of the EACOP Project.

As part of EACOP project, the Crude oil will be loaded on vessels via a facility located in the near shore environment of the Indian Ocean. The Facility will be located 2 km offshore from the Marine Storage Terminal site located on the Chongoleani peninsula in front of Tanga Port in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS / SERVICES:

- Column anchored Gateway Tower with self-levelling steps,
- Hydraulic crane incl. control station and remote pendant,
- All mechanical and electrical items of the Gateway Tower (alarm, lighting,...),
- Cast-in inserts of the Gateway Tower with the anchor template,
- Access between Mezzanine and Gateway Tower,
- All the above are protected against corrosion (coating or HDG),
- Transport FOB Incoterms Liner out;

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with :

- Qualified workers and certified QA/QC ;
- Quality Control plan: organisation and responsibilities, inspection and test plan, notification of inspection, non-conformance control, manufacturers data record and inspection release certificates;
- Ability for Steel dressing full P3 as per ISO 12944, for Grade of Cleanliness Sa 3 as per ISO 8501 ;
- Fabrication at fabrication yard, not on site ;
- Coating from Carboline, Hempel, Jotun or PPG ;
- Company profile with prove of sufficient financial capabilities and sufficient and capable resources.
- An experience list with relevant supply history / track record showing minimum of five (5) years' experience in execution similar services of required fabrication and transport as per international standards common in the Oil and Gas business or comparable market,
- Standards: BS 6349 (Maritime Works);
- Welding standard: BS EN 1011;
- Company's Quality and HSE plans and certification : ISO 9001:2015, ISO 14001:2015, OHSAS 18001(ISO45001:2018);
- CE marked as per CPR and BS EN 1090 ;
- Compliance with petroleum (local Content) regulation of 2017 and local company definition for Tanzania.
- Proof of registration/application to Local Supplier Service Provider (LSSP) database at the time of submission of the response to this expression of interest is highly recommended.

Interested companies which meet the minimum requirements and have the capacity to provide the services listed above should express their interest by sending together with the above listed documents an email to procurement@bbnjv.com (Max. Email Size: 20 MBs & All documents must be submitted in the English language) on or before **6th of July 2022, 12 noon Tanzania Time**,

Companies satisfactorily meeting the above minimum requirements will be evaluated and if selected will be invited, subject to the signature of a Non-Disclosure Agreement (NDA), to participate in the bidding process.

Note: Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process.
