

REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF INSTALLATION AND PRE-COMMISSIONING ACTIVITIES FOR MECHANICAL AND ELECTRICAL INSTALLATIONS

REF ETJ-BB-PE-EI-MEP-SI-001-00

BESIX Ballast Nedam Limited, executing Early Services for the Jetty and Load Out Facilities in the Tanga Bay for the East African Crude Oil Pipeline (EACOP) Project, invites experienced specialist Companies to express their interest for:

Installation and Pre-Commissioning Activities for Mechanical and Electrical Installations.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies are partaking in the implementation of the EACOP Project.

The EACOP Project development involves the engineering, construction, operation and maintenance of a crude oil export pipeline crossing Uganda and Tanzania incl. a Jetty with Load Out Facility for Oil Tankers, near Tanga in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS / SERVICES:

- Installation of Cable Trays, Earthing & Bonding Systems, Lighting System
- Installation of MV, LV and ELV Cables
- Installation of field instruments
- In situ welding of 30" pipeline pre-installed on fabrication yard and installation of 30" dia expansion loops
- Installation of 20" pipe spool piece
- Installation of 4" and below size CS piping including supports and valves

- Coating of pipes and valves
- Installation of GRE pipe by bonding
- Post Weld Heat Treatment on welding
- NDT services of pipe welding
- Installation of process and fire-safety equipment
- Installation of secondary structural steel
- Procurement of consumables and tools necessary for erection.

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- Company profile with prove of sufficient financial capabilities and sufficient and capable resources.
- An experience list with relevant supply history / track record showing minimum of five (5) years' experience in execution similar services of required installation as per international standards common in the Oil and Gas business or comparable market
- List of qualified pipe welders
- Company's Quality and HSE plans and certification:
- ISO 9001:2015, ISO 14001:2015, OHSAS 18001 (ISO45001:2018), EN ISO 14732, EN ISO 90606-1, ISO 11484, EN ISO 90609-1, EN ISO 10893-8, 10893-11 or equivalent certificates
- Compliance with petroleum (local Content) regulation of 2017 and local company definition for Tanzania
- Proof of registration/application to Local Supplier Service Provider (LSSP) database at the time of submission of the response to this expression of interest is highly recommended.

Interested companies which meet the minimum requirements and have the capacity to provide the services listed above should express their interest by sending together with the above listed documents an email to procurement@bbnjv.com (Max. Email Size: 20 MBs & All documents must be submitted in the English language) on or before **14th September 2022, 12 noon Tanzania Time**,

Companies satisfactorily meeting the above minimum requirements will be evaluated and if selected will be invited, subject to the signature of a Non-Disclosure Agreement (NDA), to participate in the bidding process.

Note: Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process.
