Employer	BESIX Ballast Nedam Limited (BBN)
Work Location	Tanga Tanzania
Position Title	Welding Inspector
Reports To:	BBN Ltd. QAQC Manager
Employment Duration	October 2023 to February 2025
Job Type	Full Time

Purpose and scope of assignment.

As a Welding Inspector, you will play a crucial role in ensuring our welding operations meet industry standards and specifications.

Job responsibilities

- Conduct visual and non-destructive inspections of welded structures to identify defects and non-compliance with welding procedures.
- Use techniques like visual inspection, dye penetrant testing, and magnetic particle testing to assess weld quality.
- Work with the welding team to provide guidance on proper welding techniques.
- Document inspection findings and communicate results to relevant stakeholders.
- Stay updated on industry standards and welding technology advancements.

Job Qualification, Experience and Skills

- Tanzanian citizenship
- Hold a CSWIP 3.1 certification.
- Minimum 8 years of experience at welding inspections
- Knowledge of welding processes and equipment.
- Familiarity with non-destructive testing methods.
- Attention to detail and ability to identify defects.
