

## **BESIX BALLAST NEDAM (BBN) LIMITED JOB ADVERTISEMENT – Material and Preservation Inspector**

BESIX Ballast Nedam (BBN) Limited, the CONTRACTOR for the Engineering, Procurement and Construction of the Jetty and Load Out Facilities in the Tanga Bay for the East African Crude Oil Pipeline (EACOP) Project, invites application for **Material and Preservation Inspector**

Project	EACOP – Jetty & Loading Out Facility Construction
Employer	BESIX Ballast Nedam Limited (BBN)
Work Location	Tanga Tanzania
Position Title	Material and Preservation Inspector
Reports To:	BBN Ltd. QAQC Manager
Employment Duration	Jan 2024 – June 2025
Job Type	Full Time

### **Responsibilities:**

- Receive, inspect, and document incoming construction materials for the Jetty Project.
- Conduct thorough visual inspections and quality checks to ensure materials meet project specifications and standards.
- Verify documentation, including packing lists and certificates, to ensure accuracy and compliance with project requirements.
- Collaborate with procurement and logistics teams to address any discrepancies or issues with received materials.
- Implement and oversee preservation measures for materials, ensuring they are stored and handled according to project guidelines.
- Conduct regular inspections of material storage areas to prevent damage or deterioration.
- Maintain detailed records of material inspections, preservation activities, and any non-conformities.
- Work closely with project engineers and quality control personnel to address material-related concerns.

### **Requirements:**

- Graduated from engineering faculty.
- Speak and Write English fluently.

- Previous experience as a Material Receiving and Preservation Inspector in construction projects, preferably with exposure to marine infrastructure or jetty projects.
- Strong knowledge of construction materials, their properties, and preservation methods.
- Familiarity with relevant industry standards and codes.
- Excellent attention to detail and the ability to identify and address discrepancies in materials.
- Effective communication skills to collaborate with different teams and vendors.
- Ability to work in a dynamic construction environment and meet tight deadlines.
- Basic computer skills for record-keeping and documentation purposes.
- Relevant certifications or training in materials inspection and preservation is a plus.

**Apply to:**

All applications should be sent by email to [jobs@bbnltd.co.tz](mailto:jobs@bbnltd.co.tz) (**Max. Email & attachment size: 20 MBs and all attachments to be combined in a single document**) on or before 18 Jan 2024, 6PM Tanzanian Time.

**NOTICE; NO HIRING AT THE GATE!!!**

**PLEASE NOTE**, if you are not contacted within 2 weeks after deadline of this publication, consider your application unsuccessful.
