

EAST AFRICAN CRUDE OIL PIPELINE

REQUEST FOR EXPRESSION OF INTEREST: PROVISION OF TEMPORARY GENERATORS/LOAD BANKS AND ANCILLARIES REFERENCE NO.REQ-00000649

East African Crude Oil Pipeline (EACOP) LTD ("EACOP LTD") invites experienced and reputable companies to express their interest in the Provision of Temporary Generators, Load Banks and related Ancillaries for the commissioning activities of East African Crude Oil Pipeline (EACOP) Project.

The EACOP Project involves the construction and operation of a buried and cross-border pipeline to transport crude oil from Lake Albert area in Uganda to eastern coast of Tanzania for export to international markets. The pipeline will run from Kabaale, Hoima District in Uganda to the Chongoleani peninsula in Tanga, Tanzania. The length of the pipeline is 1,443 km, of which 296 km will be in Uganda and 1,147 km in Tanzania. In Uganda the pipeline will traverse ten (10) districts of Hoima, Kikube, Kakumiro, Kyankwanzi, Mubende, Gomba, Sembabule, Kyotera, Rakai and Lwengo.

BRIEF DESCRIPTION OF THE SCOPE OF THE SERVICES

EACOP Ltd as part of its construction activities across its constructions sites within the ten regions crossed by the EACOP Pipeline in Uganda, seeks a reputable company or organizations with capabilities and capacity to provide temporary generators/load banks and ancillaries for a period of up to 22 months. The requirement for the equipment and services shall include, but not limited to;

- Provision of 6 temporary power generators sized between 75kVA and 1MVA including distribution boards, cables, accessories.
- Provision of approximately 3 DC Load Banks sized for UPS rating between 10 kVA and 100 kVA.
- The selected service provider will be responsible for the mobilisation, installation and demobilization of temporary power generators, load banks, cabling, distribution boards and related ancillaries.
- The selected service provider will be responsible for the temporary power generators service & maintenance.
- The temporary equipment will be required at various locations in Uganda along the pipeline to suit the sequencing of the commissioning activities.
- All supplied equipment will be subject to certification and conformity checks in accordance with national and project standards.

MINIMUM REQUIREMENTS

Companies or organizations expressing their interest are invited to document their request with:

- Brief description of experience, expertise, and capacity to deliver the required scope of services.
- Details of similar projects or activities undertaken which provide evidence of qualified and available team, knowledge of pipeline regions, and track record of the above listed experience.
- Company details including certificate of incorporation, valid trading license, memorandum and articles of association.
- Appropriate licensing from relevant in-country authorities for the provision of the services.
- Proof of registration to the National Supplier Database (NSD) maintained by the Petroleum Authority in Uganda.
- Proof of registration with the Uganda Revenue Authority (URA) and Tax Clearance Certificate for the latest year available
- Statement confirming compliance with the Petroleum Midstream National Content Regulations, 2016 and Local Company definition.
- Financial capacity to deliver the services required including submission of financial accounts for the past three years.
- Evidence of a QHSE Management system, organization, and process in compliance with applicable Local and Industry standards for similar works.
- Proof of Anti-corruption, Anti-bribery, Compliance and Human Rights policies.

Companies which have the ability, capacity, and resources to implement the activities listed above should express their interest by sending an Expression of Interest (EOI) via email, together with the above listed documents through an email to **procurement.ug@eacop.com** (max. email size **20Mb**) on or before **17:00hrs** East African Time (EAT), on **6th December 2024**. Email subject shall be: **REQ-00000649 Provision of Temporary Generators/Load Banks and Ancillaries (UG)**.

Statements of EOI should be no more than twenty (20) pages long.

All Expression of Interests should be submitted in English Language.

Note: EACOP LTD will review and assess the documents provided by companies that have expressed interest in accordance with this EOI and conduct evaluations based on internal criteria and applicable legislation to determine which companies will be included in the list of pre-qualified companies. Only the pre-qualified companies will receive, by signing a Non-Disclosure Agreement (NDA), an invitation to bid as a continuation of the call for tender process. EACOP LTD reserves the right at its sole discretion to make the decision to select or reject a company and maintain its decision without having to give reasons to the company concerned.
